NNLS Spatially uniform & low abundance

micro-average Precision-recall (area = 0.41)
Precision-recall for individual cell types
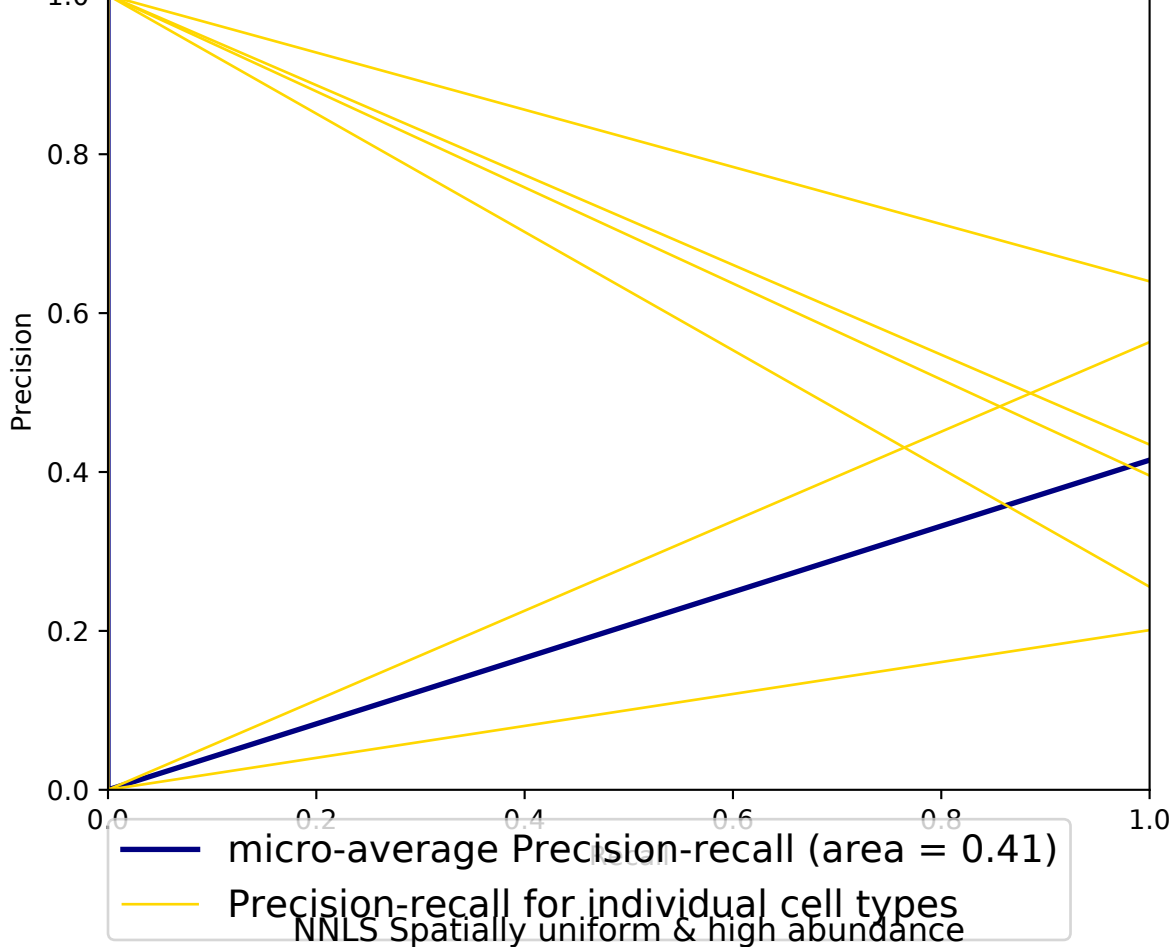

NNLS Spatially uniform & high abundance

micro-average Precision-recall (area = 0.74)
Precision-recall for individual cell types
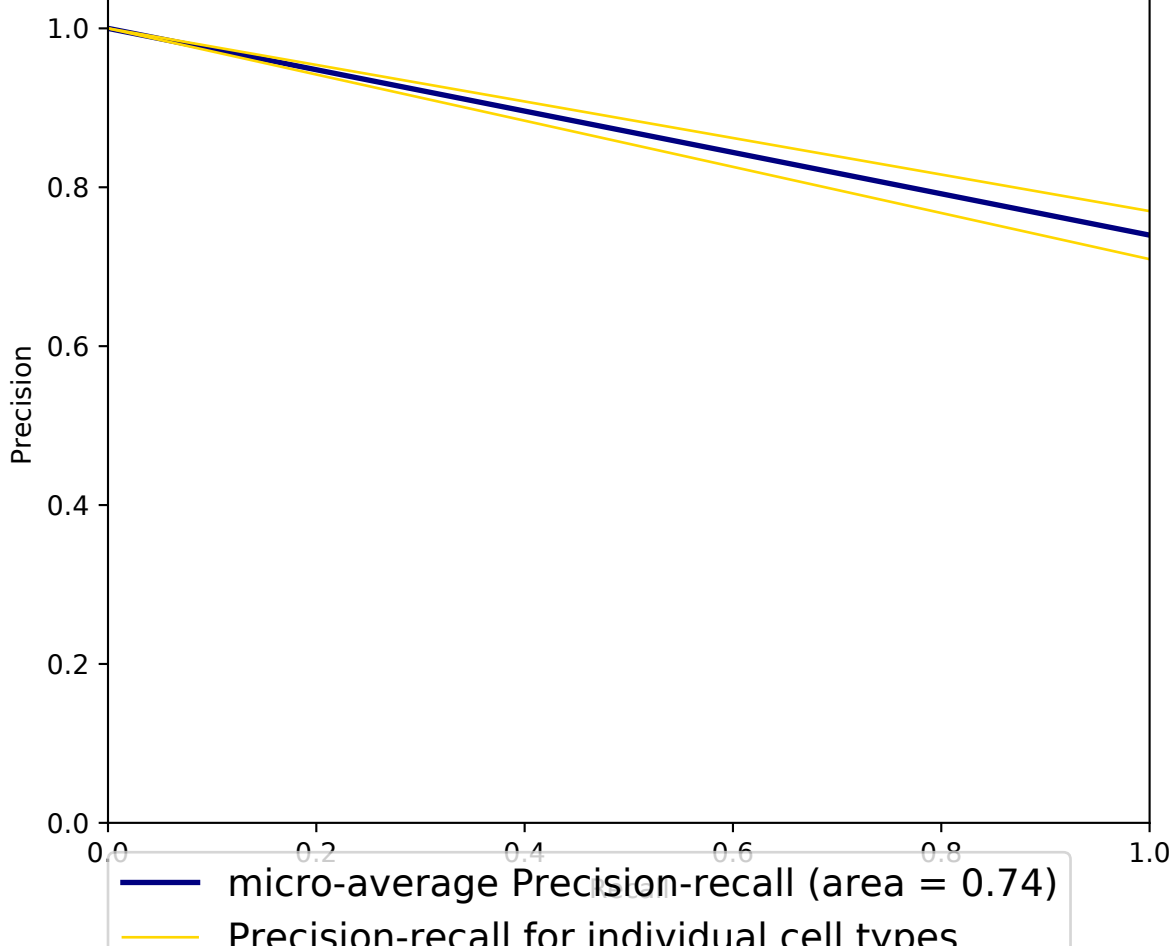

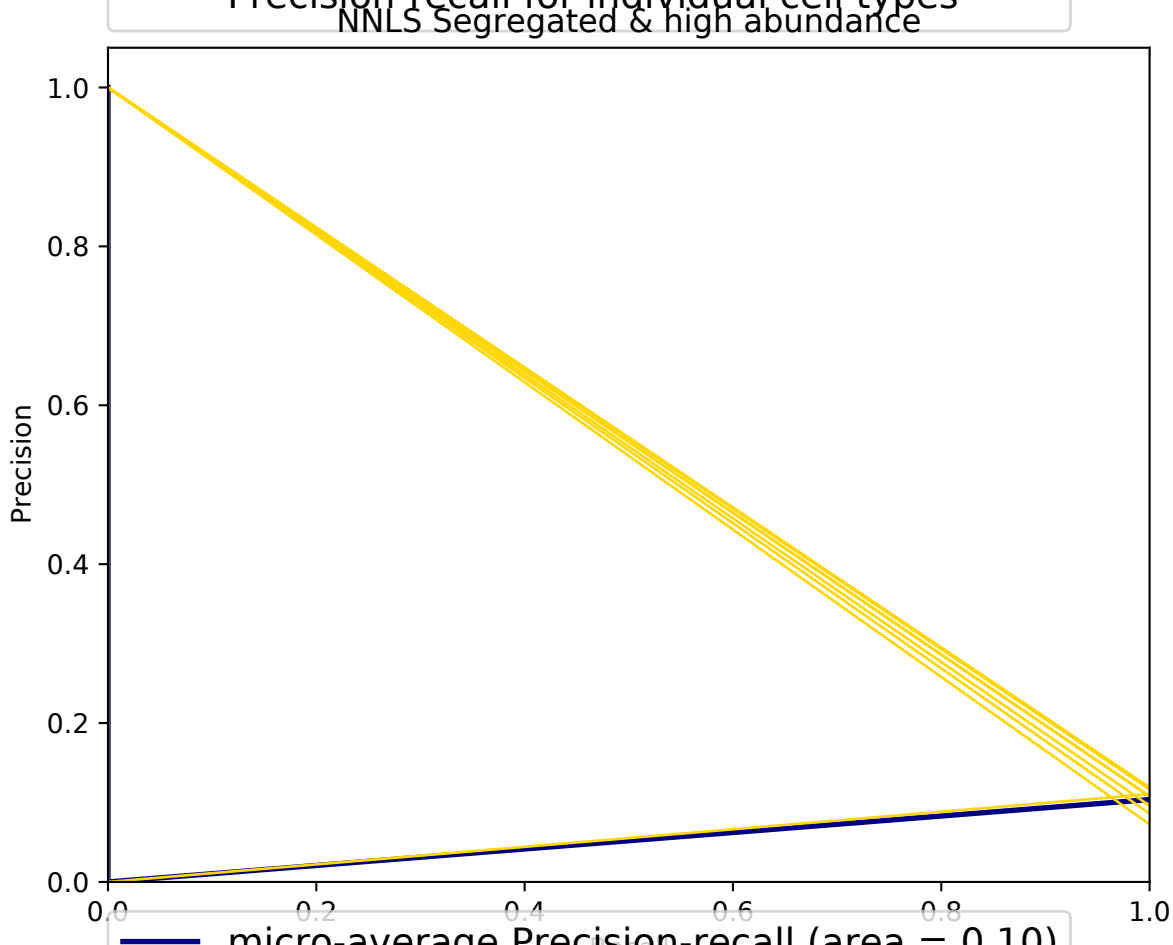

NNLS Segregated & low abundance

micro-average Precision-recall (area = 0.05)
Precision-recall for individual cell types
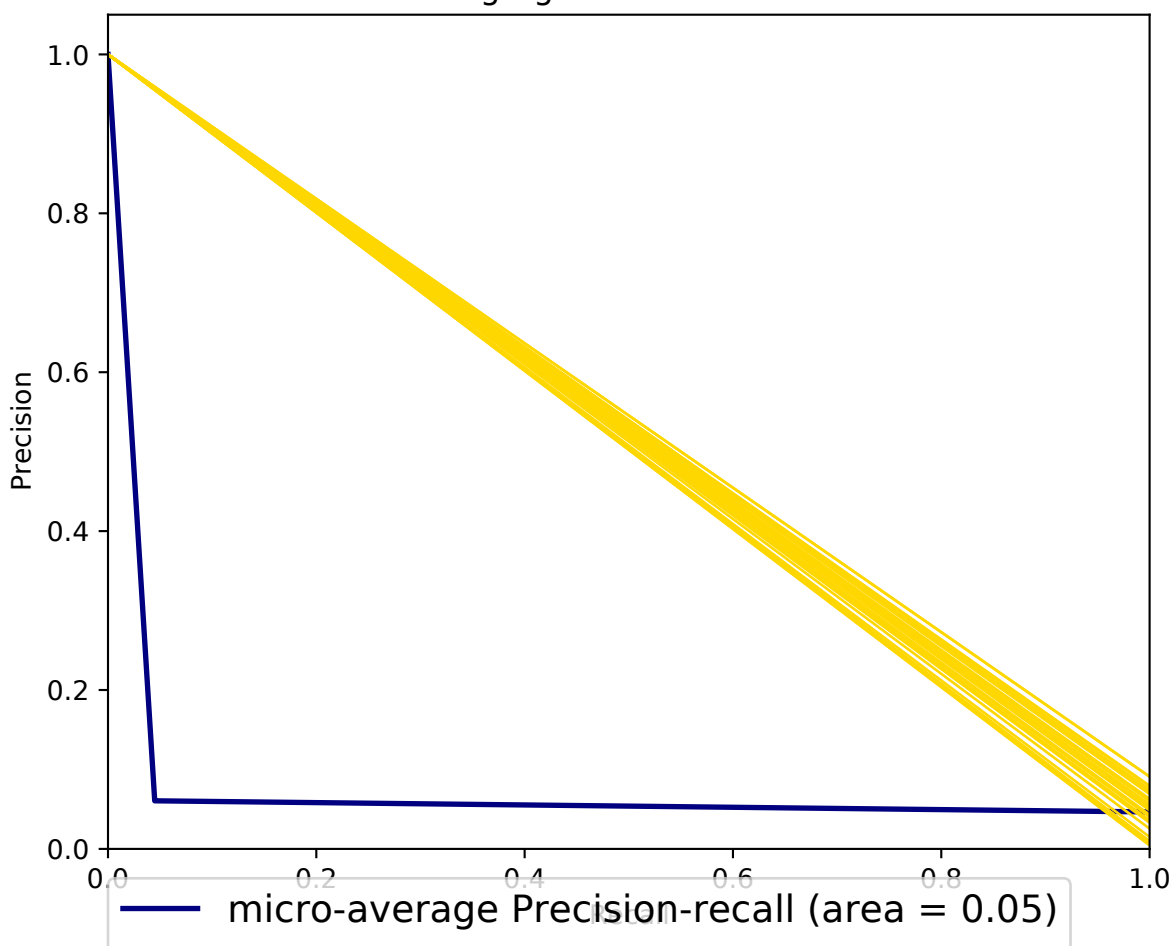

NNLS Segregated & high abundance

micro-average Precision-recall (area = 0.10)
Precision-recall for individual cell types

NNLS All

micro-average Precision-recall (area = 0.14)
Precision-recall for individual cell types
